

After years of corruption and special interest influence, **MAYOR JOHN DAILEY** is cracking down and cleaning up City Hall. Under his leadership, we passed the strongest ethics reform package in our city's history and the toughest in the state, requiring **full financial disclosure** and creating a **zero-gift policy**.

Dailey has been our champion supporting local businesses and attracting new companies. As Mayor, he brought the community together to create **thousands of good-paying jobs** in Tallahassee.

He also fought to make sure our city is welcoming and supportive of everyone. That's why he pushed to **expand paid parental leave** for city employees to include mothers and fathers.

And Mayor Dailey was the leading voice supporting the **Children's Services Council**, which funds important programs for our children and youth.

Let's keep up the **PROGRESS.**  
**LET'S KEEP MAYOR JOHN DAILEY.**
